

REMOVE HR3

APPLICATIONS

Removes stains, haze and ghost images from mesh for screen recycling.

GENERAL CHARACTERISTICS

- One part, ready-to-use paste
- Is able to remove the toughest stains
- Low odor
- Biodegradable.

DIRECTIONS FOR USE

After ink and stencil removal, spread paste on screen with a stiff brush. Let sit for approximately 3 to 5 minutes (a longer time may weaken mesh). Rinse screen thoroughly. Follow with a pressure wash.

HEALTH AND SAFETY

Before using, refer to appropriate material safety data sheets.

STORAGE

When sealed in the original container and stored in cool conditions, Saatichem products will maintain their original properties for one year from the date of production.

PACKAGING

Available in 1 and 4.5 kilogram containers. In North America available in one quart and in one, five, and fifty US gallon containers.

WARRANTY AND LIMITED REMEDY

The directions, recommendations and specifications contained in this Technical Data Sheet are meant as a guide to the use of the product and shall not bind the company. Product specifications are subject to change without notice.

The following is made in lieu of all other expressed or implied warranties, including any implied warranty of merchantability or fitness for a particular purpose: all Saatichem manufactured liquid products are warranted to be free of defects in materials and manufacture and to meet the specifications stated in Saatichem applicable Product Bulletin. Saatichem will replace or refund the price of any Saatichem manufactured liquid product that does not meet this warranty within the applicable warranty period.

The remedies are exclusive. In no case shall Saatichem be liable for any other direct or indirect damage or loss, including without limitation any incidental, special, or consequential damages or any material costs or labor charges incident to the removal or replacement of any mesh, screen, ink, substrate, finished graphic or any other item.
