The above items are available in standard widths of 115 and 158 cm (45" and 62" in).

The above data are average values measured on piece-good in relaxed state, manufactured with yarns of a perfect nominal diameter (cfr. international standards), under normal hygrometric conditions (20°=68°F, 65% relative umidity). They are subject to normal variations up to 7% if conditions vary from those stated above.
